AMENDMENT

Sir:

In response to the Notice of Non-Compliant Amendment dated March 10, 2006, please accept the present signed amendment. The original submission of February 28, 2006 was non-compliant because it was not signed. This resubmission is filed within one month of the Notice such that a further extension of time is not required.

Thus, in response to the Patent Office Action dated November 2, 2005, please amend the above-captioned patent application as follows. A one-month extension of time, extending the period for response to and including March 2, 2006, was filed with the original submission. As only that section requiring correction must be resubmitted the petition for an extension of time is not being resubmitted.

Amendments to the claims are reflected in the complete listing of the claims which begins on page 2 of this paper.

Remarks begin on page 6 of this paper.
